NORMAN WETTENHALL:

If you would like to nominate an APEG member for the Norman Wettenhall Medal for Research and Innovation, please send to the APEG Secretariat the name of your nominee, and a short outline of their background and scope of work (including publications). Your nomination needs to be seconded by another APEG member.

Please submit your nomination via email to the APEG Secretariat by no later than **Friday 24 April, 2015**.

Please note that late nominations will not be accepted.

ROBERT VINES:

This year the Robert Vines Medal for Clinical Excellence is open for nominations, and will be awarded to an APEG member at the joint meeting in Darwin this year.

You are invited to submit a nomination for an APEG member for this medal. The Medal is designed to honour an APEG member who has made an outstanding contribution to the field of Paediatric Endocrinology in Australia and New Zealand, particularly as a clinician and teacher.

Please submit your nomination via email to the conference secretariat with the following information

- Name of nominee
- A short background of the nominee and your reasons for nominating this person
- Confirmation that the nomination has been seconded (this will be ratified).
